47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I encourage you to continue to support an environment in which consumers have choices for broadband providers that use existing copper and fiber infrastructure. I am a residential customer of an alternative to the big AT&T or Comcast. I have good service by a local company who gives me excellent service for a fair price. I want this to continue. Thank you for keeping that possible.
